## Principal Message

*"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"*

Today, the role of a school Vivekanand Saraswati Shishu Mandir is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. The school that is being run under the aegis of well established Management Swami Vivekanand Adarsh Shiksha Samiti, Gorakhpur has earned its own niche not only in phagwara but across the globe. At vssm we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The talents, skills, and abilities of each student need to be identified, nurtured, and encouraged so that he / she is able to reach greater heights. Students need to be provided with a platform to think, express, and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them, with the teacher being a facilitator.

The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Converting every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities.

While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life.

The parents are the most strengthening power in moulding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us. I Welcome your involvement as we work to provide the best possible education to the students of vssm. I encourage you to contact me with your ideas, suggestions, and concerns.

I am confident enough that the student of vssm will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

Your's Lovingly  
**Mrs. Ranjana Tripathi**  
Principal
